

our newest moisturizer is a really big deal

Introducing **bliss best of skintentions**, our new 'dew'-it-all daily moisturizer with spf 15 for skin protection and aging prevention (not to mention the best 'bliss' for your buck since our last blowout sale) – **best of skintentions** keeps your skin looking pretty without costing a pretty penny.

The latest spa formula inspired by our expert estheticians, **best of skintentions** is a lightweight moisture cream loaded with 'face value'. This multi-vitamin for the skin delivers a daily dose of essential vitamins, minerals, omegas and sun-shielding, nourishing, skin-illuminating properties to promote and preserve skin's healthy appearance. It's got everything you need to face the day... and the future.

protect with:	prevent from:
SPF 15 UVA/UVB protection	The sun's harmful rays – the number one cause of skin aging. UVA protection prevents harmful rays from damaging collagen and elastin while UVB protection prevents against burning.
A, C, E complex	Free radical damage. The combination of Vitamins A, C and E works synergistically to provide a powerful defense system against aggressive environmental factors such as, poor nutrition, stress from pollution, smoke, harsh weather, and sun exposure.
Minerals and Omegas	Damage to the skin caused by dehydration. Minerals and omegas act as a protective topical barrier while nourishing skin with essential fatty acids and hydration.

Now go ahead, be proactive and protect your most valuable asset.

best of skintentions will help you 'save face' (and a few bucks while you're at it).

in'spa'ration> spa clients asked for an essential, all-in-one, everyday moisturizer with SPF at an affordable price...and our estheticians listened.

blisstip> After applying **best of skintentions** to the face and neck, rub any excess product on the back of hands for a lightweight spf alternative to heavy hand creams.
