a standing 'eau'-vation

introducing bliss' new bath and body scent,
blood orange+white pepper

We asked for your two 'scents', and you made your noses heard. After 40,000 votes, **blood orange+white pepper** emerged as the winning scent (beating out ginger+grass and citrus+nutmeg) in the **bliss 2008 'eau'-lection**.

Do your beauty-duty:

Instead of being a fragrant follower, blood orange+white pepper is 'for the people, by the people' (the people of **Bliss Spas**, **W Hotels** and **Sephora**, that is). Our customers have elected a supreme cream that will also launch as a bliss exclusive amenity set in W Hotel rooms Worldwide.

'Scent'-sational:

Inspired by a cocktail that our in-house scent specialist sipped (true story), this energizing citrus scent blends top notes of bright blood orange and spicy white pepper with nuances of coriander and white musk.

Bliss' latest 'scent'-sory experience rounds out its fragrance range with a new unisex flavor that puts a sophisticated spin on citrus, and extends its best-'smell'ing, skin-smoothing selection:

- **blood orange+white pepper body butter** this vibrantly scented body moisturizer instantly drenches dry skin, leaving it seriously soft and a-'peel'-ingly fragranced. 8.5 oz. **\$35**
- **blood orange+white pepper bath+shower gel** this super-softening gel foams up fast and fragrant, and also doubles as bath bubbles. 8.4 oz. **\$24**
- **blood orange+white pepper sugar scrub** this skin-cleansing scrub lathers up for a gentle, but supreme suds-ing, smoothing and softening. 12 oz. **\$36**

Secret service:

Try these in-treatment forms – launching along with the blood orange+white pepper products

- **head over 'peels' scrub+rub** This freshly squeezed treatment starts with an energizing blood orange+white pepper-scented body polish and a Vichy shower, then gives orange-'aid' to your most knotted spots with a 30-minute massage. 60 min **\$140**
- **head over 'peels' pedicure** This sole-stimulating, citrus-scented pedi serves up all the 'juicy' details, including a blood orange+white pepper soak and scrub, plus a clipping, buffing and polishing that will leave feet looking seriously a-'peel'-ing. 60 min **\$65**
